Re: U.S. Patent Application
Title: COMPOSITE TEXTILE MATERIAL FOR PROTECTING THE HUMAN
BODY AGAINST HEAT
Serial No. 09/367,019
Our File: 10350/168

Dear Examiner Guarriello:

For this case, there was a Final Office Action dated February 27, 2002 and a response filed on July 27, 2002 with a one month extension.

This is to acknowledge with thanks the courtesy of Examiner Guarriello regarding our July 25, 2002 telephone conference concerning the above-referenced application. It is Applicant's understanding, from this phone conference, that the Office Action dated February 27, 2002 will be withdrawn, and that a new Office Action will be issued with a new three-month response date.

In view of the above, Applicant intends not to file a further response, extension or appeal to the Office Action of February 27, 2002, and to await the new Office Action.

Acknowledgment of receipt of this letter will be appreciated.

Respectfully submitted,
